FMBB World Championship 2021 – Greece

FMBB World Championship Herding 2021 – Czech Republic

On January 26 2021, the FMBB board had meeting with its organizers concerning the World Championship 2021 in Greece and the World Championship Herding 2021 in Czech Republic.

The past months we have followed the Covid-19 situation very closely. Due to the recent world wide developments we have had to make, again, a very difficult decision regarding our world championships.

After thorough consultation and taking into account all possible parameters following decision was made:

- The 2021 FMBB World Championship in Greece is moved to the same location and period in 2022.
- The 2021 FMBB World Championship Herding in Czech Republic is moved to the same location and period in 2022.

The FMBB board and its organizers wish to emphasize that they do not want to take any risks that could endanger the wellbeing, health and safety of anyone involved.

Keep it safe and healthy for everyone!
We will be there in 2022!!

Friendly greetings,
Governing body, Secretary, Treasurer,

Geert Bouckaert - Swytswal 13 - 8680 Koekelare - Belgium
