**To:** All whom it may concern.

Dear members and partners.

We would like to inform you, that there is ongoing discussion about the organizing country for the FMBB World Championship in sheep herding 2025. The final decision will take place mid-January, we shall keep you updated. Do not hesitate to proceed in selection of the representation team.

In case of positive resolution, the FMBB WC IHT TS 2025 will take place on 24.-28.9.2025 in the Netherlands.

At the same time allow us to inform you that there are updated FMBB WC IHT TS Implementation Rules published on the [www.fmbb.be/regulations/](http://www.fmbb.be/regulations/). The most significant change is to be found in the rules for the National Team Competition:

*At least two dogs in any level representing the same country will create the team for the National Team Competition. The average of the average % score of all classes (both runs of all competitors) make the result for the National Team Competition.*

We wish you Merry Christmas and Happy New Year!

For the FMBB,

Sincerely greetings,

Geert Bouckaert, FMBB Secretary and Jitka Fenclová, FMBB Herding Commission
